Springtime Pointers for Dog Guardians

Springtime is sprung and as pet guardians we need to be careful of the following:-

Snakebite. They are already on the move.

Fleas, ticks and heartworm are more prevalent as the weather warms up.

1080 is always a risk to our dogs. 1080 can even be spread into our own backyard by birds. Think about muzzling your free running dog to stop them from picking up a bait.

Toxic and poisonous plants and flowers such as daffodils, cyclamen, hyacinth, tulips, azalea, rhododendron, buttercups, foxglove, rhubarb, wisteria, yew, oak and oleander can be killers too.

EGDOC Inc. Triple Rally Trial

On Sunday 13th August the club held our 2nd Triple Rally trial. We had 126 entries on the day with 44 dogs competing. Competitors came from far and wide and we even had one team from Tasmania. 16 teams from our club were entered and between them they received 9 passes in various classes.

Highest scoring EGDOC Inc. members on the day were:-

Rally Trial A – Dax with Lu Cornwell – 97 points

Rally Trial B – Scarlett with Maribeth Murphy - 96 points

Rally Trial C –Dax with Lu Cornwell – 96 points

Thank you to everyone who helped in one way or another, whether it was a donation of time, sponsorship, or food for the BBQ. Without those who put in and help out our trials would not happen.

Special thanks to our Trial Secretary Natalie Brown, whose hard work and superlative organisation skills ensured that once again, the day was enjoyed by all.
