VALE CEDAR

24/07/2004 - 07/05/2021

Magpielane Wind N Sky CDX, RE, ADO, ADM, JDX, JDO, SDX, SPD, GDX, ET

It was with heavy hearts we had to say goodbye to our beloved Cedar. As she trusted us with most things in her life, she entrusted us with the decision to know when it was time to say goodbye. It was time that caught up with her, and it will be time that will eventually heal the hole in our hearts left by her passing.

While she was a quiet little dog, the love she showed us was unending and profound. Her “work ethics” are obvious by the string of titles she gained over the years. Her motto was “sure and steady wins the race”. Cedar was the first Nova Scotia Duck Tolling Retriever at the EGDOC, and she has set the bar for those that will follow her.

While words can never convey the love and feelings that flowed between Cedar and us, it is certain that there will always be that special place in our hearts and memories where she will reside.

Janice, Frank, Snickers & Decoy

EGDOC Inc. extends its sincere condolences to Janice, Frank, Snickers and Decoy for the loss of their beloved Cedar.

PRESIDENTS REPORT

2019/2020/2021

It's been 2 years since our last AGM and a very interesting time it has been.

2019 – The extension and completion of our clubrooms – big thank you to Natalie Brown for getting the ball rolling in late 2018 – permits, organising tradies quotes, getting it built along with some headaches that always come with building. To Nat's helper Emily who along with Nat organised numerous grants to complete the works. To Peter Lopez who put in a lot of hours fitting out and painting the inside of the Clubrooms and to the other committee members who all pitched in to help, Thank you

We conducted 2 successful trials where we had lots of members compete with some great results. It was so good to see so much red and white in the rings. These trials don't happen by themselves and take a lot of time and effort to organise, so to our Trial Secretary Natalie, Thank you. To the Club members who gave up their time to help in the trial office, steward, help with setting up, packing up, organising the raffle, catering and anything that I might have missed, Thank you

2020 started with a bang – Our Therapy Dog Group were awarded the Heyfield News Award at the Australia Day Celebrations for their work in the Aged Care Field particularly Laurina Lodge in Heyfield.

Classes started in Feb as usual then COVID struck and that pretty much put an end to obedience for the rest of the year. The committee and instructors met midyear preparing to resume classes but we went into lockdown again. With no classes, no trials the club had no income but still had to meet their commitments so this added extra pressure to our club financially along with numerous other obedience groups.

We bid a sad farewell to Pat Harris who passed away aged 96. Pat loved to come to Club for a cuppa and a chat even after she lost her beloved Charlie. She was our go to lady for manning the raffle table at our trials, sadly missed by all.

To my committee thank you very much as no club works without a good committee. There is so much work done by these people who week after week give their time to make the club run successfully. To those members stepping down this year a big thank you.

To the Instructors who arrive early each Sunday to set up and prepare for their classes, giving up their own training time to enable them to conduct classes for our members. Thank you.

To you the members thank you for supporting EGDOC, remember this is your Club so enjoy whatever you choose to pursue with your 4 footed friends.
